

RaceJoy Live Tracking How-To

Track Me How-To

1. **Find Race:** Click Featured Races to access the Colfax Marathon under Colorado.
2. **Set Up Tracking:** Click PhoneTrak and follow the prompts carefully.
3. **Carry Your Phone:** Participants must carry their claimed device during the race.
4. **Start Your Tracking:** Click the green blinking Track Me button on race day. This appears 30 minutes prior to the race starting.
5. **Click START MY RACE as you cross the START LINE (optional):** This begins your personal race time and increases accuracy of your progress updates. If you do not click Start My Race at the start line, your race time will begin at Mile One.
6. **Replay Race Day in Buzz:** Click Buzz to review your alerts and replay cheers!

Note: You must access RaceJoy on race day to activate GPS tracking. Tracking is turned on 30 minutes prior to the race start. **Warning:** Do NOT use Wi-Fi on race day. This will cause tracking to disengage.

Track Others How-To

1. **Add participants** to your participants list:
 - Click on the icon on the upper corner of your screen and search for your participant.
2. **Track** them in a **map view**:
 - Apple Users: click the feet icon at the bottom of the screen.
 - Android Users: click the Track button at the top menu bar.
3. **Track** them with **GPS-based progress alerts**:
 - You will automatically receive these once you've added people to your participant list.
 - Click Buzz and then Progress Alerts to view alerts received.
 - The number of alerts vary by race and are typically sent out at every mile.
 - Make sure you have your Notifications ON and your volume up to receive alerts.

Relay Team How-To

Team Set Up:

- All need to click "I Want to Be Tracked" upon initial set up. Login as yourself. Follow the prompts.
- Select "Relay Course" option in course selection section.
- Sign up with team or add team to list, if not shown.

Relay Team Tracking:

GPS Tracking – For live phone tracking of your actual location, click the green blinking Track Me button when you enter the app the day of the race.

Progress Alerts – For team progress updates, each team member clicks their own "Start My Leg" button when they start their leg. If you do not click the Start My Leg Button, you will not get progress alerts, but will still be able to use the GPS tracking feature.

Verify Proper Team Set Up:

- Click the **More** button on race page in RaceJoy.
- Click Profile: If you do not see your team name at the top of the screen, redo your setup by clicking your name and following the Team Set Up steps above.
